DEAR EXHIBITORS,

After a banner inaugural year, we are thrilled to welcome you back to an even bigger and better HIPICO Santa Fe! In 2015, we brought you a truly unique horse show experience in the Land of Enchantment. We could not have done it without your support.

The experience of our clients – the exhibitors, trainers, owners, vendors, advertisers and sponsors – is what matters most to us. We are committed to evolving as an exceptional facility and providing our patrons with true value and a superior horse show experience. This summer and fall, we’re offering a full seven weeks of horse showing, featuring serious competition, fun classes, new divisions and more prize money.

Upon purchasing the venue in 2015, we worked quickly and diligently to renovate the facility, which had been in disrepair from years of neglect. This year, we’re focused on improvements. The changes to the footing and infrastructure of the campus in preparation for the A-rated 2016 Santa Fe Summer and Fall Fun Series exemplify HIPICO’s vision of a world-class facility in the heart of the Southwest.

HIPICO has worked closely with arena footing partner, GGT Footing, to enhance and improve the footing mixture, with consistency, firmness and stability in mind. This optimum footing mixture will be in place before the start of the 2016 season.

In addition, new grass competition rings have been added to allow for rotation during the circuit and to give more competitors the opportunity to compete on the turf. HIPICO Santa Fe’s grass rings are currently on a carefully scheduled rotation of deep aeration, sanding, seeding, irrigating and fertilizing in preparation for the 2016 show season. This maintenance program deepens the roots of the grass and, over time, enhances the durability and consistency of these distinctive turf competition rings.

In other developments, the competition arenas have been consolidated to improve traffic-flow efficiency throughout the venue for all clients. The bridge over the arroyo has been widened. Designated, horse-only bridle paths stretch the length of the campus to facilitate easy access to the competition and schooling areas.

The HIPICO VIP Lounge, known for its unique design, great food and fantastic parties, is already very popular again this year with both exhibitors and corporate sponsors. Please contact our Sponsorship department to ensure access for your business, family or barn at Sponsors@hipicosantafe.com.

We want to remind you to make your travel plans early to Santa Fe, as it is a busy summer tourist destination with many other activities, such as Indian Market, Santa Fe Wine and Chile Fiesta and the Santa Fe Opera, to name just a few. We encourage you to contact our accommodations partners featured in our prize list for discounted rates and special offerings.

We look forward to seeing you this summer and fall!

SINCERELY,

The Organizers of HIPICO Santa Fe

Time permitting, rings may also be open before and after the show, each day, for hacking, times to be posted or announced. No manual poling; no offsets of any type may be used while schooling. Jumping will be permitted in the rings at scheduled times and only when medical personnel are on the grounds.

HARD HATS MUST BE WORN AT ALL TIMES WHILE MOUNTED.

ANIMAL WELFARE: We require that all horses be treated with kindness, respect and compassion and should never be subject to mistreatment. Owners, trainers, riders and grooms, or their agents must use reasonable care in the handling and treatment of their horses whether owned or placed in their care for competition or for any other purpose. At all times, while the horse is on the show grounds, we will provide for the continuous well-being of the horse by vigorously enforcing the rules of the USEF which pertain to the welfare of the horse. USEF rules defining policy regarding abuse and use of whips will be strictly enforced. No poling, use of bamboo off-set or excessive use of the whip will be tolerated. The well being of the horse must be considered above the demands of the breeders, trainers, riders, owners, dealers, organizers, sponsors or officials. Violators may be subject to penalties pursuant to USEF rules.

In the event of an acute and serious injury to or illness of a horse on competition grounds when the owner or trainer of the horse or agent of the owner is not present, after reasonable effort to contact that individual has been made, competition management, in consultation with a licensed equine veterinarian, may authorize the provision of emergency veterinary treatment of the horse.

If competition management so authorizes treatment under the provisions of this rule, competition management and veterinarian are not liable for any resulting costs, damages, losses, claims or actions arising directly or indirectly from the treatment of the horse.

DOGS: Dogs are not permitted to be loose on competition grounds and must be on a leash or otherwise contained. Individuals must not lead dogs on a leash while mounted. Dog owners are solely responsible for any damages, claims, losses or actions resulting from their dog's behaviors. Dog owners failing to comply with this rule may be subject to penalty under Chapters 6 and 7, as well as issuance of warning cards pursuant to rule GR 301. In addition, pursuant to facility regulations, loose dogs will be removed from the show grounds by animal control at the owner's expense.

CHANGES: Management reserves the right to change, cancel, or combine classes, alter courses and do all things necessary to compensate for excessive or inadequate entries.

ATTIRE/HEADGEAR: All riders must be properly attired. Numbers must be worn and clearly visible. Protective headgear must be worn by all riders at all times while mounted. Protective headgear must meet or exceed ASTM Standards; must carry the SEI tag; and be properly secured by a harness.

JUMP ORDER: Show Management will determine a rotating jump order for all classes over fences. Riders or trainers with conflicts must see the paddock masters in both rings so that the necessary adjustments can be made. Starters have the authority to scratch entries that make no attempt to be timely, without going through the Steward or Show Manager.

NOMINATING FEE: Horses competing in all 1.25 Meter classes and above must pay a nominating fee of $175 (unless otherwise noted in the class description).

GRASS FIELD: Many of the classes held during the HIPICO show season take place on our grass fields. As we want you to have the best possible horse show experience, we'd like to offer you some tips for riding on grass for those who have not experienced it before.

Grass footing is considered by many to be the best footing for horse sport. As it is natural, grass conditions vary depending on moisture, grass length, time of year, usage and other natural conditions.

Here are a few tips for safe riding on grass:
- We suggest that you inspect the grass on the day of your ride to determine the condition.
- Sign up for a class that will be a “practice” ride if you’ve never ridden on grass before.
- Ride conservatively for your first round on grass, to become accustomed to these different conditions.
- You also might consider asking your farrier to drill for caulks or studs.
- Slow down your turns: Your horse needs to be balanced when executing quick turns, accelerating and decelerating on grass footing.

There are many weather and natural situations that impact the condition of the grass. The staff at HIPICO will do everything we can to ensure the best possible conditions, but be aware that there are many factors outside of our control. With proper preparation, knowledge and equipment, competitors can enjoy our grass footing safely.
COURSES: Courses will be posted a minimum of one hour prior to each class. In Hunter classes, fences will simulate fences found in the hunt field such as; brush, wall, in & out, oxer, post and rails, and gates. At management’s discretion, a dotted line may be put into effect to restrict the size of the courtesy circle in hunter classes.

RIBBONS/TROPHIES/CHAMPIONSHIPS: All hunter classes receive a trophy and eight ribbons unless otherwise noted. All equitation classes receive a trophy and six ribbons unless otherwise noted. All jumper classes receive a trophy and six ribbons unless otherwise noted. Each hunter and jumper section will receive a champion & reserve award based on points unless otherwise noted. Full Championship points will be given in all classes in each hunter section except Green Conformation Hunter Model which will count as half points. In all hunter sections, champion and reserve champion will be awarded to two of the top four horses acquiring the most points over fences. These four horses will also receive full points for one under saddle class.

PRIZES: Prize money is indicated for each class. Prize money won can be deducted from each horse's account. An IRS W-9 form must be completed in full before any prize money can be paid. Prize money will be withheld if the recipients’ Social Security number is not on file. Prize money will be payable to the owner unless written authorization and complete alternate payee information is on file with the show secretary.

PRIZE MONEY DISTRIBUTION:
Prize monies will be paid as follows unless specified otherwise in the class/section description.

### United States Equestrian Federation, Inc. Entry Agreement

I have read the United States Equestrian Federation, Inc. (the "Federation") Entry Agreement (GR906.4) as printed in the Prize List for Santa Fe Fiesta Week, and agree to all of its provisions. I understand and agree that by entering this Competition, I am subject to Federation Rules, the Prize List, and local rules of the competition. I agree to waive the right to the use of my photos at the competition, and agree that any actions against the Federation must be brought in New York State.

**Release, Assumption of Risk, Waiver, and Indemnification**

This Document waives important legal rights. Read it carefully before signing.

1. **I AGREE** in consideration for my participation in Santa Fe Fiesta Week, to the following:
   1. **I AGREE** that the "Federation" and "Competition" as used above includes all of their officials, officers, directors, employees, agents, personnel, volunteers and affiliated organizations.
   2. **I AGREE** that I choose to participate/volunteer in the Competition with my horse, as rider, driver, handler, voucher, lessee, owner, agent, coach, trainer, or as parent or guardian of a junior exhibitor. I am fully aware and acknowledge that my horse and the Competition involve inherent dangerous risks of accident, loss, and serious bodily injury including broken bones, head injuries, trauma, pain, suffering, or death, "Harm".
   3. **I AGREE** to hold harmless and release the Federation and the Competition from all claims for money damages or otherwise for any Harm to me or my horse and for any Harm of any nature caused by me or my horse to others, even if the Harm arises or results directly or indirectly, from the negligence of the Federation or the Competition.
   4. **I AGREE** to indemnify (that is, to pay any losses, damages, or costs incurred by) the Federation and the Competition and to hold them harmless with respect to claims for Harm to me or my horse, and for claims made by others for any Harm caused by me or my horse while at the Competition. I have read the Federation Rules about protective equipment, including GR001 and, if applicable, EV114, and I understand that I am entitled to wear protective equipment without penalty, and I acknowledge that the Federation strongly encourages me to do so while WARNING that no protective equipment can guard against all injuries. If I am a parent or guardian of a junior exhibitor, I consent to the child’s participation and **I AGREE** to all of the above provisions and **I AGREE** to assume all of the obligations of this Release on the child’s behalf. I represent that I have the requisite training, coaching, and abilities to safely compete in this competition.
   5. **I AGREE** that if I am injured at this competition, the medical personnel treating my injuries may provide information on my injury and treatment to the Federation on the official USEF accident/injury report form.

**BY SIGNING BELOW, I AGREE** to be bound by all applicable Federation Rules and all terms and provisions of this entry blank and all terms and provisions of this Prize List. If I am signing and submitting this Agreement electronically, I acknowledge that my electronic signature shall have the same validity, force and effect as if I affixed my signature by my own hand.

### United States Equestrian Federation, Inc. Entry Agreement

I have read the United States Equestrian Federation, Inc. (the "Federation") Entry Agreement (GR906.4) as printed in the Prize List for Chile Harvest Week, and agree to all of its provisions. I understand and agree that by entering this Competition, I am subject to Federation Rules, the Prize List, and local rules of the competition. I agree to waive the right to the use of my photos at the competition, and agree that any actions against the Federation must be brought in New York State.

**Release, Assumption of Risk, Waiver, and Indemnification**

This Document waives important legal rights. Read it carefully before signing.

1. **AGREE** in consideration for my participation in Chile Harvest Week, to the following:

   a. **AGREE** that the "Federation" and "Competition" as used above includes all of their officials, directors, employees, agents, personnel, volunteers and affiliated organizations.
   
   b. **AGREE** that I choose to participate voluntarily in the Competition with my horse, as a rider, driver, handler, vaulter, lessee, owner, agent, coach, trainer, or as parent or guardian of a junior exhibitor. I am fully aware and acknowledge that horse sports and the Competition involve inherent dangerous risks of accident, loss, and serious bodily injury including broken bones, head injuries, trauma, pain, suffering, or death ("Harm").
   
   c. **AGREE** to hold harmless and release the Federation and the Competition from all claims for money damages or otherwise for any Harm to me or my horse and for any Harm of any nature caused by me or my horse to others, even if the Harm arises or results, directly or indirectly, from the negligence of the Federation or the Competition.
   
   d. **AGREE** to expressly assume all risks of Harm to me or my horse, including Harm resulting from the negligence of the Federation or the Competition.
   
   e. **AGREE** to indemnify (that is, to pay any losses, damages, or costs incurred by) the Federation and the Competition and to hold them harmless with respect to claims for Harm to me or my horse, for claims made by others for any Harm caused by me or my horse while at the Competition. I have read the Federation Rules about protective equipment, including GR801 and, if applicable, EV114, and I understand that I am entitled to wear protective equipment without penalty, and I acknowledge that the Federation strongly encourages me to do so while WARNING that no protective equipment can guard against all injuries. If I am a parent or guardian of a junior exhibitor, I consent to the child’s participation and **AGREE** to all of the above provisions and **AGREE** to assume all of the obligations of this Release on the child’s behalf. I represent that I have the requisite training, coaching and abilities to safely compete in this competition.
   
   f. **AGREE** that if I am injured at this competition, the medical personnel treating my injuries may provide information on my injury and treatment to the Federation on the official USEF accident/injury report form.

**BY SIGNING BELOW, I AGREE** to be bound by all applicable Federation Rules and all terms and provisions of this entry blank and all terms and provisions of this Prize List. If I am signing and submitting this Agreement electronically, I acknowledge that my electronic signature shall have the same validity, force and effect as if I affixed my signature by my own hand.

$2,000 Master’s Choice Jumper Classic (week 1)
Entries close at 5:00 PM the day prior to the class
Entry Fee $175/Class 701

1.15m to 1.50m. Open to the first 10 entries. One horse per rider. There will be a posted order of go.
First round begins at 1.15m and will not exceed 1.25m. The course will consist of five fences including one double combination which will count as two of the five fences. Judged only on faults (knockdowns and refusals) in all rounds (no time allowed) up to the jump-off. If a jump-off is required, competitors will be those with the least faults in the fastest time. The prize money for the first round will start at $1,000.
Nomination Fee Required for this class

Procedure
The first horse in the order will jump the course as set by the course designer. If the first horse jumps a clean round that competitor will select one of the five jumps in the course to be raised for the next rider who will jump the course. The course designer will adjust the selected jump raising it .10m and adjusting the width appropriately and the prize money will be adjusted upward by $100. In the first round no jump may be raised more than once. However, after all five jumps have been raised to 1.25m, if remaining riders go clean the prize money will be increased by $100 for each clean round.

If the competitor incurs a fault during their round they will retire from the class and no jump will be raised and no money added to the prize. Horses with faults will not proceed to the next round.

After the first round, competitors who have a clean round may select any of the five jumps to be raised even if the remaining jumps have not been selected to be raised, allowing some jumps to be significantly higher than the others. Jumps will be raised by .10m each time they are selected.
RANCHO

A leading breeder of Holsteiner Sport Horses

STANDING MULTIPLE HOLSTEINER STALLIONS AND SELLING APPROVED FOALS
Once the prize money reaches $2,000 no more money will be added to the purse by the horse show for a clean ride but riders will continue to select a jump to be raised by .10m and at that time if exhibitors or spectators want to encourage the riders they will be allowed to add prize money to the purse.

The winner is the competitor who has jumped the largest course without penalty or, if all remaining competitors opt not to continue to another round, there will be a jump off against the clock. The winner will be the competitor with the least faults in the shortest time in the jump off.
